

# ConvertaLease<sup>SM</sup>

A proven solution to strengthen your statutory balance sheet.

Strategically managing your asset quality and surplus levels can improve your Risk Based Capital Ratios, your A.M. Best Rating, and your capacity to write more policies. ConvertaLease<sup>SM</sup> will transform your non-admitted assets (new or existing) into admitted assets. ConvertaLease<sup>SM</sup> is a time tested, proven finance product that has been reviewed by field examiners, insurance commissioners, public accounting firms and some of the nation's largest law firms.
